Publisher:
Dunfan Lu
Release Date: 13 Oct, 2017

Minimum:

OS: Windows 7

Memory: 2 GB RAM

Storage: 1 GB available space

English

Pretty Dope game. It could definantely use some improvements, but it is good and a solid base for further updates. The idea of a FPS Immune system is just so fascinating.. Fantastic game! Very well conceived and nicely made. I almost felt like playing CSGO except that this one is so much better on graphics and the theme is pretty interesting too.. Fantastic game! Very well conceived and nicely made. I almost felt like playing CSGO except that this one is so much better on graphics and the theme is

pretty interesting too.. Pretty Dope game. It could definantely use some improvements, but it is good and a solid base for further updates. The idea of a FPS Immune system is just so fascinating.
